Benefits and Feature

1. Dimmable, DMX, WiFi, RF Wireless
2. Low Power Consumption
3. Easy Installation and Low Maintenance
4. Custom Lengths and Unique Color Sequencing Available
5. Indoor and Outdoor

Application

The LUMIROD is an LED linear closet rod that has an integrated LED lighting system inside the extrusion to directly light up the item hanging below it. It is designed for closets and hanging storage spaces to illuminate clothing or other items directly from the aluminum extrusion strong enough to carry up to 50 lbs per foot. It comes in low voltage of either 12VDC or 24VDC.
